

Ashley Highland, Ryan Satterberg

Thank you so much for supporting us at the 2022 C420 Midwinter Championship in Jensen Beach, Florida and the 2022 New England Championship in Cape Cod, Massachusetts! These regattas were very helpful for us to learn how to sail in conditions other than what we are used to here in California. We sailed with NB4T, and were able to learn a lot from our amazing coaches. Midwinters was a fun regatta where we were able to experience light wind and heavy breeze. At New Englands, we also were fortunate enough to have strong winds all through the first day and good conditions the second day. Overall we placed 4th at Midwinters and 5th at New Englands. We had a great time sailing, and we learned so much about adapting to unusual conditions and weather. Thank you so much for your support!
