

Hi David,

I just returned from the Bacardi Cup. We had a really good regatta. We finished 11th out of 58 boats. Got some really good press on the first day after leading the race until the third mark.

<https://bacardiinvitational.com/press-release-march-7-2022/>

So we were the first amateur team amongst many professional sailors. Winds were 12-20 knots all week, and the competition was fierce. I have attached a link to the results.
